

A PERSONAL WORD

From the Coile family

January 29, 2024

Beloved friends in the LORD,

The year 2023 was probably the most challenging year our family has ever had. Storms raged. Cancer roared. Whispers of death threatened. We had to make decisions about things we didn't understand. Bills were hard to fathom. "There is no cure for what you have," said the lead doctor. When life knocks us down, we should remember that Jesus is the answer, no matter the question. He does all things well. He was with us every step and remained the hope that lit our path in the dark valley of 2023.

Even while the storm raged, God sent us people who were seeking the truth. Once while I was praying for a man with cancer, he stopped me and said, "Will you help me know I'm saved?" A brother was born into the family of God that day because the LORD is always working, even through cancer.

The year 2024 came without waiting for us to get answers to all our questions. We keep on walking with the LORD and doing the things He shows us. We believe the Word and know that our future belongs to God, the One who determines the times and seasons. In Him we truly live and move and have our being.

It has been wonderful beyond words to preach and travel again, to do the Focus on the Bible show with Josiah, and hold on for the ride during new adventures. We're hoping to see you all soon, and also to bring the Word to places we've not yet been. We're looking forward to more opportunities to grow future leaders and advance the gospel at our Grace Farm events. There is a book to write, meaningful conversations to have, and messages to preach. There is so much to do in a world that needs Jesus like never before! We have vision for without it we perish.

We need the LORD. Please continue to pray for us. Thank you for supporting us in so many ways. We know our support family is walking alongside us, sharing every trial and victory. We also know we can't go on without God's support of us through you.

We will try to update you with letters. You can also hear the [Focus on the Bible podcast](#) and watch our [YouTube channel](#). We treasure the beautiful fellowship we have with you and hope to see you and enjoy the LORD together in 2024.

Thank you for being a vital part of what God is doing in our family and ministry. Keep on keeping on for the LORD! God's grace and peace be unto you.

God's grace is sufficient, anywhere, all the time.

The Bible Says . . .

He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty. - Psalm 91:1

God's presence is a shelter in the storm, a light in the darkness, and an anchor for the soul. Our greatest need as believers is to live under the shadow of God's presence. God bless you to enjoy the shadow of the Almighty.
