

A Personal Word

From the Coile family

October 22, 2024

Dear friends,

It has been a busy month of ministry for our family. God continues to strengthen us, and to provide for our needs. He has allowed each of us to serve Him using the gifts He has given us.

Josiah is the director of Grace Farm and the main speaker during events. He is a wise leader and a gifted speaker.

Denita, Josiah's lifelong partner, helps with organization, bringing order to our world of chaos. We are grateful for the work she does.

Benjamin is the activities director during events, and he does much of the grounds maintenance at Grace Farm. The ball field has never looked better!

Mom, known affectionately as "Mama Janet," cares for those around her, putting others' needs above her own.

Bethany ministers to her peers through her compassionate spirit. She is kind, ever mindful of her friends' wellbeing.

I continue to serve as administrative assistant, hospitality host, and director of the SWAT program. I am dedicated to my personal ministry. I make many mistakes, but God is patient with me.

We recently hosted the Fall Retreat at Grace Farm. Josiah, never one to shy away from meaty truths from

God's Word, spoke on 1 Corinthians 10, the passage about Christian liberty. Josiah explained that instead of flaunting personal liberty, believers should focus on serving others.

After each session, Josiah split everyone into breakout groups to further discuss the message. It was cool to see kids get involved in the discussion. They are receiving truth from the Bible and learning to apply it to their lives.

Thank you for supporting Focus Evangelistic Ministries. Your contribution allows us to share the gospel with kids, and to teach them how to live in such a way that pleases God. Please continue to pray for us, that we would be effective in our ministry for the Lord.

May the Lord bless you as you live for Him.

Because of His grace,

Eden Grace,
